

- **If you're unsure about what to do** and require advice about which option is best for you, please contact your existing Mortgage Adviser. They will be able to review your needs and circumstances, and recommend a suitable course of action. If the most suitable course of action recommended by your Mortgage Adviser is to switch your UCB mortgage this application form will need to be completed. Please note a fee may be charged for their service. If you don't have a Mortgage Adviser and require advice, please visit [unbiased.co.uk](https://www.unbiased.co.uk) for further details.
- **If you don't require advice** you can apply to switch your mortgage directly with us on an Execution Only basis. By proceeding on an Execution Only basis, you won't be receiving advice and you will be waiving any protection that the FCA regulations on mortgage suitability would bring to you. If you're happy to continue with this option, we'll send you an Execution Only Declaration to sign with your mortgage offer, which will provide you with further information.
